

AVALON BIOMED™

RESIDENT & POST GRAD PRICING

We are excited to support you during your Residency and Postgraduate endeavors by providing access to our comprehensive product portfolio with exclusive pricing from the first day of residency until six months after graduation.

As the only manufacturer of pre-mixed Bioactive Bioceramics in the United States, Avalon Biomed is committed to providing superior Bioceramic products at a fraction of the cost compared to larger endodontic companies.

In addition, our collaboration with Zarc4endo, a company founded and operated by Endodontists for Endodontists brings a portfolio of innovative endodontic files, gutta percha, paper points, cordless devices and accessories.
